DETAILED ACTION

Allowable Subject Matter

Claims 1-10 are allowed.

The following is an examiner's statement of reasons for allowance: Instant application claims and discloses a lighting unit with light source, light guiding component and a reflecting sheet to cover a surface of light guiding component and a hold sheet for holding the whole reflecting sheet.

Regarding claim 1:

Claim 1 has been amended to point out that the hold sheet holds the whole reflecting sheet. The prior art of record only holds part of the reflecting sheet. Therefore, the prior art does not show or teach the limitations of claim 1. Claims 2-10 depend directly or indirectly from claim 1, add further limitations and are allowable for the same reasons.
